Motivated college student pursuing a Bachelor's degree in Computer Science with strong problem-solving skills and experience in Python and Java. Passionate about AIML and Data Science and eager to work in a technical company.

Experience

Internet Of Things Intern | Infolabz PVT. LTD. Company | Ahmedabad, GJ

September 2022

Learned and Implemented IoT solutions using [technologies used Arduino UNO]. Tested many different types of sensor-based applications for real-time data collection and processing. Implemented hand written codes for sensor so that they can work and generate data according to our needs. Collaborated with a team to make a project based on IoT.

Projects (Internet of Things):

Smart Water Irrigation System • Anti Thief System • Checking Soil & Water level via Sensors

Machine Learning Intern | Infolabz PVT. LTD. Company | Ahmedabad, GJ

July 2023 – August 2023

Gained hands-on experience in Machine Learning algorithms (Linear Regression, Decision Trees, Random Forest, etc.). Worked with Python libraries such as NumPy, Pandas, Scikit-learn, TensorFlow, and Keras. Developed ML models using libraries like OpenCV. Performed data preprocessing, feature engineering datasets. Implemented Supervised and Unsupervised Learning techniques for model training and evaluation. Collaborated with a team to present ML findings and deploy a small-scale ML project. Learned about API and created some APIs in Python and also fetched data from online big APIs.

Projects (Machine Learning):

Static & Dynamic Face Detection • House Price Prediction • Diabetes Detection (Random Forest) • Movie Genre Prediction (KNN) • Stock Price Prediction (LSTM)

Skills

Leadership • Proficient with English • Team player • Excellent time management skills • Public speaking

Technical Skills

Programming Languages: (C, C++, JAVA, Python) • Web Based Advance Java • RDBMS • PHP • Machine Learning • Data Science • Internet of things • Data Structures & Algorithms

Education

SEPT 2021 – JULY 2024

Diploma in Computer Engineering | Government Polytechnic Ahmedabad | Ahmedabad, GJ

CGPA: 9.16

JULY 2024 – Present (Currently in Semester 4)

Bachelor of Technology in Computer Science & Engineering | Charotar University of Science & Technology | Anand, GJ

SGPA: 9.30 (Semester 3)

Activities

Book Reading • Duolingo: Learning German • Yoga • Travel • Walking
